

Out of Step Font Company Personal Use License Agreement V1.1

This Out of Step Font Company typeface is licensed for Personal Use Only. Users are welcome to use this font for personal use, including all projects that are not meant to generate profit or income.

1 Commercial Licensing:

A commercial license is required for companies or individuals that generate income or profit from the use of the font, such as, but not limited to:

- (i) Apps, including free apps that generate income from ads or in-app purchases
- (ii) Books and other publications
- (iii) Clothing, shoe, or jewelry lines
- (iv) Freelance and professional graphic design work (logos, business cards, websites, videos)

A commercial license can be purchased through to Out of Step Font Company website. For commercial licenses not available through the website, inquiries are welcome via email.

1.1 Commercial Exemptions

A commercial license is not required for the following usages:

- (i) Flyer or poster for events that charge admission up to \$10US per person and up to a capacity of 100 people
- (ii) Flyers or posters for free events not sponsored by corporate interests
- (iii) Free apps that do not generate income in any way
- (iv) Churches, charities, or non-profit organizations (these are considered non-commercial)

2 COPYRIGHT

Out of Step Font Company retains copyright under all circumstances: you are not allowed to sell the font itself or claim it as your own.

3 ATTRIBUTION

This license has been modified and adapted from the Creative Commons Attribution Non-Commercial Share Alike license version 3.0. To view the original license, visit
